

TRIBAL | **connections** | **2020**

SPONSORSHIP OPPORTUNITIES

Tribal Connections offers a rare opportunity to reach 200 attendees who promote the importance of early childhood in tribal communities.

This event brings together program staff, managers and policymakers from tribes, tribal and non-tribal organizations to learn about important topics impacting young children and families in tribal communities throughout Arizona.

Participants become both student and teacher, as they are invited to answer questions and share experiences or perspectives when working with children and families living on tribal lands.

93% of Tribal Connections attendees rated it good to excellent, including:

“Wonderful, meaningful and thoughtful event.”

“Excellent. Enjoyed hearing perspectives on intersection of early childhood best practices and culture.”
